

END OF YEAR CONCERT

Saturday 12th & Sunday 13th November 2016

ST PETERS LUTHERAN COLLEGE, INDOOROOPILLY

Confirmation & Payment due Saturday 27th August

We are excited to be able to announce that we will again be performing in the beautiful Performing Arts Centre at St Peter's Lutheran College, Indooroopilly. Performances are an exciting event as students have the opportunity to perform on stage in a theatre. For many it will be an opportunity to gain some wonderful memories that will last them a lifetime. For some it may also be the beginning of a future career.

Every class, except Toddler Dance, Adult Classes & Conditioning/Stretch Classes, will be involved. Please let us know whether your child will or will not participate in the concert, so that we can allocate costumes and choreography appropriately. If your child cannot take part in the performance they can still do all classes and will learn the concert dance like everyone else. They will get the very important role of being a rehearsal understudy, which is very helpful to their classmates and teachers.

We are giving you as much information in advance to enable you to make an informed decision as to whether your child is able to participate.

We will consider you fully committed upon payment of your costume levy, which is NON-REFUNDABLE.

Please note the times for both rehearsals and performances before committing to the concert.

Check the studio, class name, time and teacher to ensure you have your child's correct group.

All ballet students from Pre-Primary to Intermediate will be called by their NEW grade. e.g. Pre-Primary Monday are now called "Primary Monday". Grade 1A is now called Grade 2A.

(PLEASE SEE ATTACHED TABLE AS A GUIDE WHEN READING THE CONCERT SCHEDULES)

Rehearsals:

We will be starting rehearsals during classes each week. This gives us approximately 13 weeks to choreograph, teach and polish items. If you have committed to performing in the show, it is essential that your child is only absent when they are contagious, otherwise we will expect them at every class. Children can still learn by watching. If your child is absent without explanation or for multiple classes in a row it may be necessary to exclude them from some of the choreography. This will ensure that we keep moving forward and are able to produce two items per class in the 13 weeks. There will be rehearsals at the theatre from Friday 29th October – Sunday 31st October. There is only one rehearsal per class. There is NO extra charge for these rehearsals, however they are compulsory. The concert and rehearsal schedule can be viewed on the website.

DVDs:

A professional company will film all shows. You are not obliged to buy this; however personal video recorders are not allowed into the auditorium due to music copyright laws. Orders this year will be online directly with the company. (More information to come in Term 4).

Photographs:

We will be having professional photographers take individual and group photos of one of your child's two items during their theatre rehearsal. Friday 29th October – Sunday 31st October. There is no obligation to purchase these. (More information to come in Term 4).

Tickets:

Are sold online (more information in Term 4) - Adults - \$38 & Children - \$22

Performing students will NOT require a ticket

If your child/children is in more than one show doing different dances e.g. Ballet in Show A and Jazz in Show B we will provide you with 2 complimentary tickets to one show when tickets to the other show have been purchased. (More information to come in Term 4).

Dressing Room Levy:

If your child is in more than one show doing the same items, we ask that you will be available to help in the dressing rooms during one of the shows you are not watching or with bump in or bump out of costumes and sets. If you are unable to do so we ask that you pay a \$30 "dressing room levy", which will be used to employ extra non-parent helpers.

Costumes:

There is **NO costume making**, as we supply all costumes. Please note that many dance schools require you to purchase the materials and sew all of your costumes, which can add up to hundreds of dollars. We replace this with a costume levy. This levy goes toward new costumes, replacement of damaged costumes, repairs and cleaning of costumes. We cannot sell the costumes individually as each costume belongs to a complete group.

Student Requirements:

Available from our Milton Uniform Shop (we will do a bulk order of tights & flesh undergarments in Term 4)

- Creative, Pre- Prep, Prep and all ballet students need clean ballet shoes & ballet tights.
- Jazz and Tap students need tan coloured jazz/tap shoes and jazz tights.
- Hip Hop students need to provide their own footwear (colour of runners to come later) and may also be required to provide their own jeans/pants/shirt.
- Singers will be required to wear tan coloured jazz shoes and jazz tights.
- We highly recommend that all students have a flesh leotard/undergarment to wear underneath their costumes.
