

End of Year Concert: Saturday 15th & Sunday 16th September 2018
Theatre Rehearsals: Saturday 8th & Sunday 9th September 2018
Performing Arts Centre - St Peter's Lutheran College - 66 Harts Rd, Indooroopilly

We are excitedly entering the final week of preparation for our 2018 End of Year Concert. We acknowledge that this is a busy time for everyone with a large amount of communication and information coming through from us via email. Please understand that we endeavor to provide as much information as possible to ensure all necessary information is communicated effectively, for the smooth running of this event and, most importantly, for the safety and enjoyment of our students and families.

We would like to remind our Premier Dance parents that all performers are required to attend compulsory theatre rehearsals at St Peter's on Saturday 8th & Sunday 9th September. These rehearsals are vital for students and teachers to place their dances on the stage and to help students familiarise themselves with the theatre and backstage areas. If you have any unavoidable clashes with your child's rehearsal that you have not already notified us of, please contact the office as soon as possible by emailing staff@thepremierdance.com. **All rehearsals on Saturday 8th & Sunday 9th September will be held at the theatre at St Peter's. All regular Saturday classes at Milton and Clayfield will be held at their usual time on Saturday 8th September.**

All concert information, including your performance and rehearsal time is available on our website and has been emailed to you previously. Please ensure you have checked this carefully! Each performance is around 2 - 2.5 hours long with no interval. Each class will perform an item in both the first and second half of the concert, so children will remain backstage, fully supervised until after the show has finished.

All Premier Dance students and teachers have put in many hours of hard work to prepare for this highlight of our year! Performing in a professional theatre, under stage lights and in amazing costumes is such an exciting experience for our students and we look forward to seeing every one of them. Most of our students have attended classes all year - some once a week and some up to 15 - 20 hours. We love to see all of them shine, whether they perform in one dance or ten dances. As the audience, you have many wonderful pieces to look forward to – from our super cute “Creatives” and “Preppies” all the way up to our incredible senior students, most of whom have danced with us since they were 2 or 3 years old. You will enjoy performances in ballet, jazz, tap, hip hop, contemporary, musical theatre and singing – all choreographed by our talented team of professional dance and singing teachers. Thank you for your cooperation and patience with all our correspondence as we work to ensure our students have the very best onstage performance experience.

Hair & Makeup:

- Required for all performances. **No makeup required for rehearsals.**
- Please understand that the students are performing in a professional theatre with strong stage lighting and without makeup, their faces will appear very washed out to the audience and on the video.
- Performers should arrive at the theatre with makeup and hair done, tights on and correct footwear in their bag. It is not necessary to wear your class leotard or uniform. A loose-fitting dress or buttoned shirt is best as it allows for easy changing that won't mess up hair or makeup. Please wear normal class attire (leotard/jazz uniform, no ballet skirts) for rehearsals. IMPORTANT: Please name all belongings!
- Makeup: Should consist of foundation, blush, brown eyeshadow, eyeliner, & a red **stayfast/longwear** lipstick. Please blot excess lipstick to avoid smudging on clothes & costumes. We will be using theatrical lighting, so makeup should be heavier than usual. Mascara at your discretion.
- Most pharmacy cosmetics brands will have a suitable **stayfast/longwear** lipstick in their product range. Look for keywords such as stay/matte/long-lasting.
- Young children should not bring extra makeup (including lipstick) to the theatre as it is messy and gets on the costumes.
- Please pack extra bobby pins and hairspray so that we can secure your child's headpieces.

- To assist you on the day of rehearsal and performances, we suggest taking a drive through the school grounds on a day prior to the event to give yourself plenty of time on the day to familiarize yourself with the location of the theatre and the many parking options available.
- The PAC (a large silver building) is coloured navy blue on the attached map, located next to the boys boarding. It is also positioned next to the Chapel (CH) – a large white building with a white cross.

- We will have signs directing you to the PAC, in addition to the school's signage.
